

Itinerary

Beas Kund

BLUE SHEEP
Adventures

Beas Kund

Highlights

Location: Solang,
Himachal

Duration: 2N/3D

Grade: Easy to Moderate

About this trek

Beas Kund is a high-altitude glacial lake situated amidst the Pir Panjal range at an altitude of 12,722 ft / approx 3700 meters. This is where the mighty Beas River originates and nourishes the entire Kullu & Manali valley in its way before it enters Punjab at Kapurthala and later joins with Sutlej. Beas kund happens to be one of the most famous treks around Manali and takes one into the rarely populated lush green meadows surrounded by several snow-capped high-altitude peaks where one can enjoy a panoramic view of the Seven Sisters, Mt. Hanuman Tibba, Mt. Friendship Peak, Shitidhar peak and Ladakhi peak.

Itinerary

Important notes

Please note that while we endeavour to assist all our clients in achieving their goals, there may be times your leader will decide to either delay or stop your ascent based on your medical conditions and AMS symptoms.

Kindly ensure that you arrive before the afternoon on Day 1 so you can rest well before the next day.

It is mandatory for trekkers to carry a photocopy of their photo id along with the mandatory documents of the Medical Certificate and Disclaimer form. This is required for trek permissions before and during the trek.
